**Health Requirements and Services****HEALTH AND SAFETY**

The Superintendent shall develop procedures to ensure District compliance with all health and safety governance requirements.

The protocols and guidelines for health procedures performed by health professionals and school personnel shall be accessible to school personnel.<sup>1</sup> Policies and related procedures for these policies in the 09.2 section of this Manual, as referenced in the Health Services Reference Guide, are incorporated herein.

**REQUIRED**

All pupils shall undergo preventative health care examinations as required by Kentucky Administrative Regulation.<sup>2</sup>

The Board shall adopt a program for continuous health supervision for all pupils, including screening tests related to growth and development, vision, and hearing.

**REFERRAL**

Referral and appropriate follow-up of an abnormality noted by screening or teacher observation shall be recorded on school health records.

**EMERGENCY CARE**

Schools shall have emergency care procedures, a copy of which shall be on file in the Central Office.

**HEALTH RECORD**

Each school shall initiate a cumulative health record for each pupil entering school. Such record shall be maintained throughout the pupil's attendance on forms prescribed by the Kentucky Administrative Regulation or maintained electronically in the student information system.
